His neighbor Stacey Logan and Stacey's brothers and sister are there to see their grandmother off on a trip. Jeremy's friend Josias Williams is taking the bus to his new job. But Josias and the Logans are black, and in Mississippi in the 1930s, black people can't ride the bus if that means there won't be enough room for white people to ride. When several white passengers arrive at the last minute, the driver sends Josias and Stacey's grandmother off the bus. Then comes a terrifying moment that unites all the townspeople in a nightmare that will change their lives forever. “Well written and thought provoking, this book will haunt readers and generate much discussion.”—School Library Journal

### **A Life of Adventure and Delight**

THERE IS NO better way to introduce children to classical music than with Prokofiev's musical fairy tale of the little boy who, with the help of a bird, outsmarted the big, bad wolf. A new retelling by Janet Schulman follows the basic story, but with a kinder ending for both the big, bad wolf and the argumentative duck. Peter Malone's paintings have the luminous quality of old Russian masters.

### **The Road to Memphis**

Chosen by John Updike as a Today Show Book Club Pick. Already an award-winning writer, ZZ Packer now shares with us her debut, *Drinking Coffee Elsewhere*. Her impressive range and talent are abundantly evident: Packer dazzles with her command of language, surprising and delighting us with unexpected turns and indelible images, as she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream. With penetrating insight that belies her youth—she was only nineteen years old when *Seventeen* magazine printed her first published story—ZZ Packer helps us see the world with a clearer vision. *Drinking Coffee Elsewhere* is a striking performance—fresh, versatile, and captivating. It introduces us to an arresting and unforgettable new voice.
