The Wordsworth Dictionary of Shakespeare Quotations

This work explains the origins of the familiar and the unfamiliar in everyday speech and literature, including the colloquial and the proverbial. It embraces archaeology, history, religion, the arts, science, mythology and characters from fiction.

A Midsummer-night's Dream

Although criticism on the medieval and Renaissance dream abounds, a strange lacuna exists in the critical literature of dream in the English Romantics. Every major Romantic poet relied frequently and explicitly on dream imagery, and Romantic poems conduct a long discussion about the meaning, power, value, and provenance of dreams. Douglas B. Wilson's book traces the wide web of connections that the Romantics wove between dreams and other expressions of consciousness: sensation, emotions, illusions, creativity, personality, and memory. Situating his study of the Wordsworthian dream between ancient interpretation and Freudian interpretation, Wilson gains a new perspective on the oneiric moment of Romanticism while liberating it from a narrowly psychoanalytic reading. Wordsworth embodies virtually all of the dream theory of his time, thus making him the perfect object of Wilson's multiple approaches to dream activity as poetic creation. - Back cover.

The Romantic Dream

Universal Dictionary of the English Language

This carefully crafted ebook: "The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)" is formatted for your eReader with a functional and detailed table of contents. The book is a classic satire in the form of a dictionary on which Bierce worked for decades. It was originally published in 1906 as The Cynic's Word Book before being retitled in 1911. A number of the definitions are accompanied by satiric verses, many of which are signed with comic pseudonyms. It offers reinterpretations of terms in the English language which lampoon cant and political double-talk as well as other aspects of human foolishness and frailty. The definitions provide satirical, witty and often politically pointed representations of the words that it seeks to "define". The Devil's Dictionary has inspired many imitations both in its day and more recently. Ambrose Gwinnett Bierce (1842 – 1914?) was an American satirist, critic, poet, editor and journalist. Bierce became a prolific author of short stories often humorous and sometimes bitter or macabre. His dark, sardonic views and vehemence as a critic earned him the nickname, "Bitter Bierce".

The Wordsworth Dictionary of Eponyms

Whether it invokes hard work or merely a hen-house, a good simile is like a good picture—it's worth a thousand words. Packed with more than 16,000 imaginative, colorful phrases—from “ abandoned as a used Kleenex ” to “ quiet as an eel swimming in oil ” —the Similes Dictionary will help any politician, writer, or lover of language find just the right saying, be it original or banal, verbose or succinct. Your thoughts will never be "as tedious as a twice-told tale" or "dry as the Congressional Record." Choose from elegant turns of phrases “ as useful as a Swiss army knife ” and “ varied as expressions of the human face ” . Citing more than 2,000 sources—from the Bible, Socrates, Shakespeare, Mark Twain, and H. L. Mencken to popular movies, music, and television shows—the Similes Dictionary covers hundreds of subjects broken into thematic categories that include topics such as virtue, anger, age, ambition, importance, and youth, helping you find the fitting phrase quickly and easily. Perfect for setting the atmosphere, making a point, or helping spin a tale with economy, intelligence, and ingenuity, the vivid comparisons found in this collection will inspire anyone.

The Modern Eclectic Dictionary of the English Language

The Watkins Dictionary of Dreams

Dreams have variously inspired and haunted kings, poets, inventors, artists, musicians, statesmen and others since the dawn of recorded experience. Gustavus Hindman Miller's Dictionary of Dreams first appeared in 1909, ten years after Sigmund Freud's pioneering work The Interpretation of Dreams, and is therefore an historical work on dream analysis first published at the time of a quantum leap in human consciousness. 10,000 entries cover Bananas to Cauliflowers, Measles to Mustard and Virgins to Zebras.

“ Dreams played an important part in our lives in those early days in England. Our mother invented them for us to make up for all the things we lacked and to give us some hope for the future. ” During the hard and bitter years of his youth in England, Harry Bernstein ’ s selfless mother struggles to keep her six children fed and clothed. But she never stops dreaming of a better life in America, no matter how unlikely. Then, one miraculous day when Harry is twelve years old, steamships tickets arrive in the mail, sent by an anonymous benefactor. Suddenly, a new life full of the promise of prosperity seems possible – and the family sets sail for America, meeting relatives in Chicago. Harry is mesmerized by the city: the cars, the skyscrapers, and the gorgeous vistas of Lake Michigan. For a time, the family gets a taste of the good life: electric lights, a bathtub, a telephone. But soon the harsh realities of the Great Depression envelop them. Skeletons in the family closet come to light, mafiosi darken their doorstep, family members are lost, and dreams are shattered. In the face of so much loss, Harry and his mother must make a fateful decision – one that will change their lives forever. And though he has struggled for so long, there is an incredible bounty waiting for Harry in New York: his future wife, Ruby. It is their romance that will finally bring the peace and happiness that Harry ’ s mother always dreamed was possible. With a compelling cast and evocative settings, Harry Bernstein ’ s extraordinary account of his hardscrabble youth in Depression-era Chicago and New York will grip you from the very first page. Full of humor, drama, and romance, this tale of hope and dreams coming true enthralls and enchants.

What is a slack-ma-girdle? Or a submarino? How did White Horse whisky get its name? Or Old Bawdy barley wine? How do you make a really dry martini? Or beer? Or champagne? The answers to these enquiries and thousands of others are revealed in this unique guide to every kind of alcohol, compiled by dedicated drinker and collector of little histories, Ned Halley, who is an award-winning writer on beer, a nationally syndicated wine columnist and author of numerous books on drink. In a straightforward A to Z format, 'The Wordsworth Dictionary of Drink' identifies thousands of individual brewers, distillers and winemakers, as well as the names of their products. The dictionary aims to be of real, practical help in locating beers and ciders, wines and spirits of every hue to their maker and place of origin. Here, too, are descriptive terms used on labels, along with the less-formal words used by producers and purveyors to promote their products in the market place. Origins, from village breweries to entire wine-producing regions, are located by nation, province and district. In many cases, there is a mention of when a producer or product was established, perhaps a word about the founder or a brief explanation of a curious-sounding brand name. The book is laced with historical anecdotes, a thousand cocktail recipes, essays on topics from the Guinness dynasty to the principles of brewing, from the discovery of distilling to the history of excise duty - and illustrated with hundreds of drink labels from all around the world.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Dream Dictionary

American Dictionary and Cyclopedia

On June 5th, 1968, at L.A.'s Ambassador Hotel, Robert F. Kennedy celebrated his victory in the California Democratic primary with a rousing victory speech anticipating a successful run for the presidency. Moments later, gunshots shattered that dream: like his brother before him, Bobby Kennedy lay mortally wounded at the hand of an assassin. The police quickly apprehended Sirhan Sirhan, who the world believed had single-handedly masterminded the shooting. Shockingly, that may not be so, as documentary filmmaker Shane O' Sullivan presents powerful new evidence to the contrary

Dictionary of Quotations (English)

Reveals the meaning of virtually various symbols known to dream analysts, and contains strange facts, including dreams that have averted disasters or changed history, dreams from the Bible and other religious texts, and dreams that have influenced films, books, music, art, and popular culture.

The Encyclopædic Dictionary

Contains ten thousand alphabetically-arranged entries that offer interpretations of things seen in dreams.

The Wordsworth Dictionary of Persons and Places

The American Encyclopaedic Dictionary

Did you know that dreams about houses symbolise exploration of the self. And that water symbolises fertility, creativity and potential. Dreams provide vital clues to hidden feelings, fears and desires; understanding your dreams can lead to greater self-awareness and self-healing. Each image that appears in a dream has a meaning and The Dream Dictionary is an invaluable, detailed guide to decoding these meanings. The book introduces the classic theories of Freud and Jung, to more recent ideas on dream analysis, it provides a wealth of background information on the study of dreams and on the images examined in the dictionary section. From abandonment to zodiacal signs, the comprehensive dictionary has more than 700 entries. Each entry gives a range of possible interpretations for a particular dream symbol, allowing you wide scope for deciphering your dream and for assessing its implications. Cross-referencing throughout, the dictionary allows you to examine all aspects of individual symbols.

Dictionary of Quotations from Ancient and Modern, English and Foreign Sources

A collection of short stories set in the modern West.

The Wordsworth Dictionary of Dreams

Describes a dream analysis system designed to help people discern the meanings of their dreams and make them easy to interpret.

Dictionary of Quotations

Quotations have exercised a particular fascination for humanity since the birth of recorded language and their potency in the age of the soundbite is stronger than ever. We revel in quotations, compete to know them, love them, hate them and inscribe them in books and on buildings, and this freshly revised and updated dictionary includes a wealth of new material among its 13,000 familiar, serious, outrageous, witty and thought-provoking entries. The Wordsworth Dictionary of Quotations is an essential work of reference for every writer, journalist and speech-maker, as well as being a treasure-trove for the browser and the simply curious. From the Roman poet Ovid's observation that 'Judgement of beauty can er, what with the wine and the dark' to Oscar Wilde's that 'Experience is the name everyone gives to their mistakes', there is a wide diversity of sayings to add spice to our conversation and enrich our daily lives. The book is alphabetically arranged by author and indexed by keyword for ease of use.
