Think and Grow Rich: Collector's Edition

How do the rich get rich? An updated edition of the “remarkable” New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don’t live in Beverly Hills or on Park Avenue. They live next door. America’s wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don’t realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as “rich” are actually a tiny minority of America’s truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, *The Millionaire Next Door* was a groundbreaking examination of America’s rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today’s earn-and-consume culture.” —Library Journal

"Think and Grow Rich!" is the most widely acclaimed, influential book on success ever published. For a quarter-century, Napoleon Hill interviewed hundreds of successful men and women under the guidance of the richest man of his time, Andrew Carnegie. In this timeless classic, he reveals the secret to their great achievements—a powerful, proven formula that can empower you to achieve your own most cherished goals, too. If there is one must-have guide you need on the road to high achievement and success—to real riches in every aspect of your life—this is it. Unlike most versions of Dr. Hill's book, this edition restores his masterpiece to its original form and intent. It includes essential material on how to thrive in challenging economic times that was taken out of later versions but is incredibly relevant today. This is the only edition of "Think and Grow Rich!" that is fully annotated and indexed, providing key details about Dr. Hill's life and times, his life-long research, and the leaders of business and industry he studied to learn the invaluable principles of success you'll discover here. "This is the best single book on personal success ever written: it made me a millionaire—starting from nothing."—Brian Tracy, author of "Getting Rich Your Own Way" "It's the classic of all classics." —Harvey Mackay, author of the #1 "New York Times" bestseller "Swim with the Sharks without Being Eaten Alive" "Reading 'Think and Grow Rich!' many years ago helped me to become the world's greatest retail salesperson. A must to read if you want to become somebody." —Joe Girard, World's #1 Retail Salesperson, as attested by "The Guinness Book of World Records" "I thought 'Think and Grow Rich!' was a classic and could never be improved. I was wrong. I am sure Dr. Hill would be greatly pleased to see how his work has been honored and enhanced by this outstanding new edition."—Wally Amos, founder of Famous Amos Chocolate Chip Cookies and author of "The Cookie Never Crumbles" "This book is a jewel! Think and Grow Rich

Why Write A New Think and Grow Rich? At first exposure the very idea of rewriting the greatest success classic of all time sounds like some fruit from California announcing he's re-written the Bible. However, looking at it correctly, wouldn't it be amazing if a "how-to" manual didn't need updating after 70 years of service? What other body of knowledge and practice has not progressed dramatically in the intervening years?! Can the science of personal achievement be any different? So what kinds of changes can you expect? Certainly modern advances in neuro-science, motivation, NLP, and quantum reality make it easier to grasp the secret, and have been included. Also, those uncomfortable "isms of an antique age" have been eliminated. You no longer have to be a white American male to achieve success..thus the language, quotes, examples and stories include, while retaining much of the familiar work, women, other races and nationalities. More accessible for young people, who need it most!

What you are today is not important . . . for in this runaway bestseller you will learn how to change your life by applying the secrets you are about to discover in the ancient scrolls. "I will persist until I succeed. I was not delivered into this world into defeat, nor does failure course in my veins. I am not a sheep waiting to be prodded by my shepherd. I am a lion and I refuse to talk, to walk, to sleep with the sheep. The slaughterhouse of failure is not my destiny. I will persist until I succeed." —From the ancient scroll marked III in *The Greatest Salesman in the World Praise for The Greatest Salesman in the World* "The Greatest Salesman in the World is one of the most inspiring, uplifting, and motivating books I have ever read. completed *The Greatest Salesman in the World* for the second time—it was too good for just one reading—and in all sincerity, I say that it is the most readable, most constructive and most useful instrument for the teaching of sales as a profession that I have ever read.”—F.W. Errigo, Manager, U. S. Sales Trainer at Parke, Davis & Company “I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “Every sales manager should read *The Greatest Salesman in the World*. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unailing source of comfort and inspiration.”—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky “Og Mandino provocatively prods your attention into fascination as he masterfully relates his story. *The Greatest Salesman in the World* is a book with emotional appeal for millions.”—Roy Garn, Executive Director, Emotional Appeal Institute “There are very few men who have the writing talent with which Og Mandino has been blessed.
