developed an intensive program to aid teachers and students with materials that really work. Filled with unique and motivating activities, the ideas presented will help all teachers of foreign languages to assist their students to effectively and efficiently learn a new language. With more than twenty-four years of experience teaching, Raynaud details her philosophy and the techniques she has developed. The text is accompanied by a Digital Document Annex that includes more than 1,500 ready-to-use teaching materials focusing on listening, comprehension, grammar, vocabulary, and translations. The annex also contains PowerPoint presentations, audio recordings, short videos, and examples of student work. Chapters provide information about:

- Incorporating teamwork
- Establishing a core curriculum
- Individualizing teaching
- Helping students enjoy labs
- Writing exercises that correspond to student needs
- Providing a challenging workload
- Intended to help teachers establish a successful program, QualityTime-ESL: The Digital Resource Book provides an extensive toolbox of teaching materials from which teachers can freely choose and then adapt. This detailed guide will help teachers to create a dynamic learning course to further the teaching of English.

Only the best prepared are chosen to start the highly competitive multimillion-dollar training programs that transform aspiring candidates into U.S. military aviators. This fully updated edition of Barron's Military Flight Aptitude Tests provides would-be aviators in all five U.S. armed services with the competitive edge they will need to score their best and maximize their chances of being selected! This book is an effective, full-spectrum resource for officer candidates, ROTC cadets from all services, and current military members. Six full-length practice tests (two per service) with answers and explanations for every question get readers ready for the Air Force Officer Qualifying Test (AFOQT), the Selection Instrument for Flight Training (SIFT), and the Navy/Marine Corps/Coast Guard Aviation Selection Test Battery (ASTB-E). Test overviews and detailed review sections give potential pilots the boost they need to rise to the top of the selection list, and most of the review subjects apply to all three tests. Successful aviation applicants strongly recommend working through every valuable review section, and the other services' tests are great for extra practice to reinforce your learning. Written by a veteran, joint qualified military officer and instructor,

Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: * Essential rhetorical strategies and opinion development strategies * Step-by-step basic responses for all speaking and writing tasks * Step-by-step advanced responses for all speaking and writing tasks * Step-by-step emergency responses for all speaking and writing tasks * How to revise your spoken and written responses to maximize scoring * How to rate spoken and written responses quickly and proficiently
ARGUMENT DEVELOPMENT Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score. **ARGUMENT MAPPING** Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based
