McGraw-Hill Education Essential Vocabulary for the TOEFL® Test

The TOEFL (Test of English as a Foreign Language) is an internet-based test, or iBT, and this updated edition of Barron's TOEFL manual simulates the test's internet-based format. The manual presents seven full-length model TOEFL iBT tests with explanations or examples for all questions, including sample essays and speaking responses. Author Pamela Sharpe also gives test-takers a general orientation to the TOEFL iBT and follows with a review of academic skills, which include note taking, paraphrasing, summarizing, and synthesizing. A review of language skills covers listening, speaking, reading, and writing in English. The 10 enclosed audio CDs present audio prompts for the Listening, Speaking, and Writing sections of all tests in the book.

Perfect Phrases for the TOEFL Speaking and Writing Sections

This updated language-learning e-guide, with a brand-new free audio app, helps you learn to speak Spanish in 15-minute visual lessons themed around common situations. With clear photography and illustrations, 12 themed chapters are broken down into 15-minute daily lessons that combine vocabulary and grammar essentials about a range of themes, from socializing to doing business for the most user-friendly, accessible language guide on the market. The audio app, available for Apple (from the App Store) and Android (from Google Play), enables you to hear words and phrases spoken by native Spanish speakers. Download the app and scan in the book's barcode. Once you've unlocked your book and downloaded the audio files, you can enter any page number to find the word or phrase you're looking for to help improve your pronunciation.

English Language Education in a Global World

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

Business English Vocabulary Builder

With English becoming the world's foremost lingua franca, the pressure to improve English language education (ELE) has been steadily increasing. Consequently, the nature of ELE has changed drastically in the last decade. This has not only brought about a number of changes in the way English is taught and learnt, but it has also led to various innovative practices around the world. As a result, this edited book aims to shed light on the new theoretical and methodological developments in the field of ELE as well as the major issues and difficulties faced by practitioners in different parts of the globe. One very important variable that the book takes into account is the role that English already plays in a particular society since this may affect the views that teachers and students hold of the language. This in turn can significantly influence the way English is taught and learnt in given political, economic and socio-cultural settings. The purpose of this book is therefore to provide a comprehensive overview of the pedagogical methods, policies and problems that underlie English language education in ten different regions across the world, including: the USA, Canada, the UK, Australia, New Zealand, India, Singapore, Japan, China and Hong Kong. In doing so, the different chapters in the book emphasize the importance of responding to linguistic and other forms of diversity in order to develop English language education in a globalized world. This book will be useful for teachers and students of English language, for English language curriculum and materials developers, and for those involved in educational policy-making and language acquisition research. Written by experts in the field, the range of content covered in the book's chapters will also help policy-makers, researchers and practitioners develop effective

English language education practices and policies, and propose solutions to emerging issues in English language teaching and learning in different environments around the world. The newly-developed arguments and concerns pertaining to English language education will serve as future reference for professionals interested in this area of expertise.

Check Your English Vocabulary for Human Resources

Powerscore Gre Quantitative Reasoning Bible

Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: * Essential rhetorical strategies and opinion development strategies * Step-by-step basic responses for all speaking and writing tasks * Step-by-step advanced responses for all speaking and writing tasks * Step-by-step emergency responses for all speaking and writing tasks * How to revise your spoken and written responses to maximize scoring * How to rate spoken and written responses quickly and proficiently ARGUMENT DEVELOPMENT Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score. ARGUMENT MAPPING Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based strategy called argument mapping. SCORING STRATEGIES Learn how to think like a TOEFL rater so you know exactly what to say and write to maximize scoring.
