### Sparkly Garden Journal

"Light illuminates the path of humanity: it is our own fault if we go over the brink." -Aleister Crowley  
Aleister Crowley was a noted and controversial occultist, ceremonial magician and poet. He has been called "the wickedest man in the world, or "The Great Beast 666, or "The Master Therion", but he remained a highly influential figure over Western esotericism and the counterculture. "Diary of a Drug Fiend", is his first published novel, and is also reportedly the earliest known reference to the Abbey of Thelema in Sicily. Crowley took as his example Dante's "Divine Comedy" partitioned off in three parts of the same triptych: PARADISO, INFERNO, & PURGATORIO, which affords him to delineate all these aspects of what it is to be a drug fiend. The story is enchanting and you are swept up into the pages about the ecstasy and agony of drug usage. The realism presented here no doubt stemmed from Crowley's own dabbling with the various powders. Intoxicating, powerful, often incredibly disconcerting, this book is a tour de force by a truly great

This novel is also recommend to students of the occult, as it serves as an excellent introduction to the Doctrine of Thelema.

### Falling Blossoms Journal (Diary, Notebook)

A New York Times bestseller A USA Today bestseller The long-hidden diary of a young Polish woman's life during the Holocaust, translated for the first time into English Renia Spiegel was born in 1924 to an upper-middle class Jewish family living in southeastern Poland, near what was at that time the border with Romania. At the start of 1939 Renia began a diary. "I just want a friend. I want somebody to talk to about my everyday worries and joys. Somebody who would feel what I feel, who would believe me, who would never reveal my secrets. A human being can never be such a friend and that's why I have decided to look for a confidant in the form of a diary." And so begins an extraordinary document of an adolescent girl's hopes and dreams. By the fall of 1939, Renia and her younger sister Elizabeth (née Ariana) were staying with their grandparents in Przemysl, a city in the south, just as the German and Soviet armies invaded Poland. Cut off from their mother, who was in Warsaw, Renia and her family were plunged into war. Like Anne Frank, Renia's diary became a record of her daily life as the Nazis spread throughout Europe. Renia writes of her mundane school life, her daily drama with best friends, falling in love with her boyfriend Zygmund, as well as the agony of missing her mother, separated by bombs and invading armies. Renia had aspirations to be a writer, and the diary is filled with her poignant and thoughtful poetry. When she was forced into the city's ghetto with the other Jews, Zygmund is able to smuggle her out to hide with his parents, taking Renia out of the ghetto, but not, ultimately to safety. The diary ends in July 1942, completed by Zygmund, after Renia is murdered by the Gestapo. Renia's Diary has been translated from the original Polish, and includes a preface, afterword, and notes by her surviving sister, Elizabeth Bellak. An extraordinary historical document, Renia Spiegel survives through the beauty of her words and the efforts of those who loved her and preserved her legacy.
