This November, New York Times bestselling writers SCOTT SNYDER (WYTCHEs, A.D.: AFTER DEATH) and CHARLES SOULE (CURSE WORDS, the forthcoming novel Anyone) will team up with artists GIUSEPPE CAMUNCOLI (The Amazing Spider-Man, Darth Vader, Hellblazer) and DANIELE ORLANDINI (Darth Vader) and 2019 Eisner Award-winning colorist MATT WILSON (THE WICKED AND THE DIVINE, PAPER GIRLS) to embark on an epic adventure in the brand-new ongoing series, UNDISCOVERED COUNTRY! In this special oversized first issue, readers will journey into the near future, and an unknown nation that was once the United States of America— a land that's become shrouded in mystery after walling itself off from the rest of the world without explanation over thirty years ago. When a team seeking a cure for a global pandemic breaches U.S. borders, they quickly find themselves in a struggle to survive this strange and deadly lost continent!

### **Star Wars**

Everything you thought you knew about witches is wrong. They are much darker, and they are much more horrifying. Wytches takes the mythology of witches to a far creepier, bone-chilling place than readers have dared venture before. When the Rooks family moves to the remote town of Litchfield, NH to escape a haunting trauma, they're hopeful about starting over. But something evil is waiting for them in the woods just beyond town. Watching from the trees. Ancient and hungry. Collects Wytches #1-6. SPECIAL LOW INTRODUCTORY PRICE OF \$9.99!

### **Undiscovered Country #1**

From bestselling comic-book franchise writer Charles Soule comes a clever and witty first novel of a twentysomething New Yorker who wakes up one morning with the power to predict the future—perfect for fans of Joe Hill and Brad Meltzer, or books like *This Book Is Full of Spiders* and *Welcome to Night Vale*. Knowledge is power. So when an unassuming Manhattan bassist named Will Dando awakens from a dream one morning with 108 predictions about the future in his head, he rapidly finds himself the most powerful man in the world. Protecting his anonymity by calling himself the Oracle, he sets up a heavily guarded Web site with the help of his friend Hamza to selectively announce his revelations. In no time, global corporations are offering him millions for exclusive access, eager to profit from his prophecies. He's also making

a lot of high-powered enemies, from the President of the United States and a nationally prominent televangelist to a warlord with a nuclear missile and an assassin grandmother. Legions of cyber spies are unleashed to hack the Site—as it's come to be called—and the best manhunters money can buy are deployed not only to unmask the Oracle but to take him out of the game entirely. With only a handful of people he can trust—including a beautiful journalist—it's all Will can do to simply survive, elude exposure, and protect those he loves long enough to use his knowledge to save the world. Delivering fast-paced adventure on a global scale as well as sharp-witted satire on our concepts of power and faith, Marvel writer Charles Soule's audacious debut novel takes readers on a rollicking ride where it's impossible to predict what will happen next.

### **Undiscovered Country #3**

When the children of Archer's Peak begin to go missing, everything seems hopeless. The few children that return alive have terrible stories—impossible details of terrifying creatures that live in the shadows. Their only hope is the arrival of a mysterious stranger, one who believes the children and claims to be the only adult who sees what they can see. Her name is Erica Slaughter. She kills monsters. That is all she does, and she bears the cost because it must be done. GLAAD Award-winning writer James Tynion IV (*The Woods*, *Batman: Detective Comics*) teams with artist Werther Dell'Edera (*Briggs Land*) for a haunting series about staring into the abyss and what happens when the abyss stares back. Collects issues #1-5.

## **Redneck Vol. 1: Deep In The Heart**

The expedition undertakes a desperate attempt to rescue a member of the team from the Destiny Man's strange caravan city. Success or certain doom hinges on Americana expert Ace Kenyatta, PhD what he knows about the new lands and what he doesn't. **HOLLYWOOD BUG:** Acquired by New Republic Pictures after a competitive bidding war for potential franchise development. SNYDER and SOULE are attached to adapt the screenplay and serve as executive producers alongside CAMUNCOLI. John Hilary Shepherd will oversee development for New Republic.

## **Crude Vol. 1**

Although Bridgette and Duncan stopped Arthur from retrieving the grail, their actions have accidently thrown the Otherworld into shambles, allowing for new legends and characters to make their appearance—and bring a world of trouble along with them. When a helmet at the British Museum is taken, Bridgette and Duncan are confronted by another hero of yore, one who will lead them to facing off against their most formidable challenge yeta beast and his mother. New York Times bestselling writer Kieron Gillen (*The Wicked + The Divine*, *Star Wars*) and Russ Manning Award-winning artist Dan Mora (*Buffy The Vampire Slayer*, *Klaus*) deliver the next chapter of the critically-acclaimed series that took the world of comics by storm! Collects *Once & Future* #7-12.

### **Cover Vol. 1**

New York Times bestselling author Roxane Gay (World of Wakanda, Difficult Women) adapts her short story “We Are the Sacrifice of Darkness” as a full-length graphic novel with writer Tracy Lynne Oliver (This Weekend), and artist Rebecca Kirby (Biopsy.) Expanding an unforgettable world where a tragic event forever bathes the world in darkness, The Sacrifice of Darkness follows one woman’s powerful journey through this new landscape as she discovers love, family, and the true light in a world seemingly robbed of any. This young adult drama challenges notions of identity, guilt, and survival in a graphic novel for fans of On A Sunbeam and Are You Listening?

"Caine, son of Adam. Inventor of murder. Cursed by God. The closest thing this doomed world has to a savior. It's 1,600 years after Eden, and life on earth has already gone to hell. The world of man is a place of wanton cruelty and wickedness. Prehistoric monsters and Stone Age marauders roam the land. Murder and destruction are the rules of the day. This is the story of man on the verge of his first apocalypse. This is life before the Flood. Welcome to the world of the Goddamned."--page 4 of cover

### **Curse Words**

Scott Snyder's protagonists inhabit a playfully deranged fictional world in which a Wall Street trader can find himself armed with a speargun, guarding a Dumpster outside a pawnshop in Florida; or an employee at Niagara Falls (his job: watching for jumpers) will take off in a car after a blimp in which his girlfriend has escaped. But in Snyder's wondrous imagination there's a thin membrane between the whimsical and the disturbing: the unlikely affair between a famous actress—in hiding after surgery—and a sporting goods salesman takes an ominous turn just as she begins to heal; an engaged couple's relationship is fractured when one of

them becomes obsessed with an inmate at the women's prison next door. Dark, funny, powerful, this debut collection underscores the remarkable gifts of a fiercely original young writer. From the Hardcover edition.

### **Star Wars: Darth Vader - Dark Lord of the Sith Vol. 3**

An extraordinary novel portraying one of the greatest untold love stories in American politics. In 1932, New York City, top reporter Lorena “Hick” Hickok starts each day with a front page byline—and finishes it swigging bourbon and planning her next big scoop. But an assignment to cover FDR’s campaign—and write a feature on his wife, Eleanor—turns Hick’s hard-won independent life on its ear. Soon her work, and the secret entanglement with the new first lady, will take her from New York and Washington to Scotts Run, West Virginia, where impoverished coal miners’ families wait in fear that the New Deal’s promised hope will pass them by. Together, Eleanor and Hick imagine how the new town of Arthurdale could change the fate of hundreds of lives. But doing what is right does not come cheap, and Hick will pay in ways she never could have imagined. Undiscovered Country artfully mixes fact and fiction to portray the intense relationship between this unlikely pair. Inspired by the historical record, including the more than three thousand letters Hick and Eleanor exchanged over a span of thirty years, McNeese tells this story through Hick’s tough, tender, and unforgettable voice. A remarkable portrait of Depression-era America, this novel tells the poignant story of how a love that was forced to remain hidden nevertheless changed history.

### **Hamlet: The Undiscovered Country**

This is the first volume in a series - The Making of the West Midlands - that explores the archaeology of the English West Midlands region from the Lower Palaeolithic to the Industrial Revolution. These books, based on the West Midlands Research Framework seminars held in 2002-3, aim to transform perceptions of the nature and significance of the archaeological evidence across a large part of central Britain, in an area extending from the plains of eastern England to the Cambrian Mountains and from the Cotswolds to the southern Pennines. The earlier prehistory of the region, in particular, has been neglected at a national level and deserves far wider recognition in research terms. This first volume reveals the scale, richness and diversity of the evidence from all earlier prehistoric periods in the West Midlands, from the Lower Palaeolithic to the Bronze Age, and considers its research significance and potential. The book is copiously illustrated, and includes a large number of colour maps and plans.

### **Curse Words 4**

This book reads like a cross between a literary detective novel and a personal conversation with a passionate Shakespeare scholar, unpacking the play that Roth calls the seminal text of the humanist religion. It unveils new realities about the playsome of which have have lain hidden since Shakespeares dayuntangles centuries of commentary and criticism, and delivers the punch lines for a whole raft of Shakespeares remarkably involved in-jokes. Roths scholarship tackles old arguments like Hamlets age (hes sixteen), lays out the intricate time structure thats embedded in the play, and unravels several of the plays endless allusions that so puzzle the will. He depicts a dense, ironic, and multivalent web of political and dramatic tension in Elsinore (plus a great deal of humor), and delivers one ahamoment after another for lovers of the Bards greatest tragedy.
