Darkest Night: A Post-Apocalyptic Survival Thriller

This is not another work by an academic scholar, but that of a long-time practitioner in the field of nuclear weapons. The book reflects an exceptional span and depth of experience in shaping both national and NATO policy about nuclear weapons. It discusses the significance of the revolution brought about by nuclear weapons, and then considers the problems (including ethical ones), costs and risks which they entail, such as proliferation. It reviews possession by Britain, India and Pakistan as illustrative examples of the issues that arise, and then turns to the future agenda - the idea of eventual global abolition of all nuclear armouries, and what can and should in practice be done short of that.

Upheaval

Danny Wright never thought he'd be the man to bring down the United States of America. In fact, he enlisted in the Idaho National Guard because he wanted to serve his country the way his father did. When the Guard is called up on the governor's orders to police a protest in Boise, it seems like a routine crowd-control mission but then Danny's gun misfires, spooking the other soldiers and the already fractious crowd, and by the time the smoke clears, twelve people are dead. The president wants the soldiers arrested. The governor swears to protect them. And as tensions build on both sides, the conflict slowly escalates toward the unthinkable: a second American civil war. With political questions that are popular in American culture yet rare in YA fiction, and a provocative plot that asks what happens when the states are no longer united, *Divided We Fall* is Trent Reedy's very timely YA debut.

Chaos Rising

In a heartbeat, everything grinds to a haltOn Christmas Eve, the lights go out. Vehicles stop working. Communications break down.Reclusive former soldier Liam Coleman doesn't want to be anywhere near bustling downtown Chicago the day before Christmas. But his twin brother and his pregnant sister-in-law need him, so he makes the trip.But mere minutes after leaving O'Hare, their car crashes, along with hundreds of other vehicles. When Liam's phone stops working, he begins to suspect something more sinister than a local power outage. But before he can react, the first plane falls from the sky When a super EMP takes down the nation's power grid, Liam knows it's time to bug out. He's prepared, but he never expected to be caught in the middle of Chicago as chaos erupts. With society collapsing before his very eyes, Liam will have to risk more than he ever thought possible to protect the ones he loves--if it's not already too late. *Chaos Rising* is the riveting post-apocalyptic EMP survival thriller prequel novella set in the *Edge of Collapse* universe, a brand new series from bestselling author, Kyla Stone. Includes a

Access Free Upheaval A Post Apocalyptic Emp Survival Thriller Days Of Want Book 5

six-chapter sneak peek of *Edge of Collapse*, book #1 in the explosive new post-apocalyptic series.

The Dark Road Series Collection

World Made by Hand

At the end of *Divided We Fall*, Danny Wright's beloved Idaho had been invaded by the federal government, their electricity shut off, their rights suspended. Danny goes into hiding with his friends in order to remain free. But after the state declares itself a Republic, Idaho rises to fight in a second American Civil War, and Danny is right in the center of the action, running guerrilla missions with his fellow soldiers to break the Federal occupation. Yet what at first seems like a straightforward battle against governmental repression quickly grows more complicated, as more states secede, more people die, and Danny discovers the true nature of some of his new allies. Chilling, powerful, and all too plausible, *Burning Nation* further establishes Trent Reedy as a provocative new voice in YA fiction.

American Exit Strategy

A new threat emerges from an unexpected source. Lives hang in the balance. As Maddie, Zack, and their group struggle to secure the cabin, the community grapples to find justice in a lawless world when a girl goes missing. Amid turmoil and bloodshed, Maddie learns evil comes in all shapes and sizes. No one can be trusted. After Maddie and Zack find old enemies nearby, a decision must be made--hunker down and wait, or go on the offensive. Which would you choose? Filled with grief and guilt, Maddie must find a way to move forward and survive. As lives are lost will this become too much to bear? On the road to reunite with Maddie and Zack, Beth's trip takes a twisted turn. She won't let a deviant group prevent her from reaching her children. Get it now!

Uprising

In this “richly imagined” dystopian vision, mankind must find a way to survive as modern civilization slowly comes apart (O, *The Oprah Magazine*). When Earth ran dry of oil, the age of the automobile came to an end; electricity flickered out. With deprivation came desperation—and desperation drove humanity backward to a state of existence few could have imagined. In the tiny hamlet of Union Grove, New York, every day is a struggle. For Mayor Robert Earle, it is a battle to keep the citizens united. As the bonds of civilization are torn apart by war, famine, and violence, there are some who aim to carve out a new society: one in which might makes right—a world of tyranny, subjugation, and death. A world Earle must fight against. . . . In his shocking nonfiction work, *The Long Emergency*, social commentator James Howard Kunstler explored the reality of what would happen if the engines stopped running. In *World Made by Hand*, he offers a stark glimpse of that future in a work of speculative fiction that stands as “an impassioned and invigorating tale whose ultimate message is one of hope, not despair” (*San Francisco Chronicle*). “Brilliant.” —Alan Cheuse, *Chicago Tribune* “It frightens without being ridiculously nightmarish, it cautions without being too judgmental, and it offers glimmers of hope we don't have to read between the lines to comprehend.” —*Baltimore City Paper*

All That Survives

After the lights went out across the nation, Elliot, Jesse, Maggie and Damon fought off the desperate as they made their way back to Lake Placid. When a string of murders occur throughout Lake Placid, Elliot must face an unknown danger. With looters and raiders going wild it's only a matter of time before they

Access Free Upheaval A Post Apocalyptic Emp Survival Thriller Days Of Want Book 5

lose control. How many must die before they throw in the towel and protect their own?

Hunted: Days of Want Series Book Two

Hunted and on the run. A decision to make, one that will tear Maddie's heart out. Just when Maddie thinks she has reached safety at her uncle's farm, a new threat emerges sending her on the run in a race for her life. Forced to flee the farm, she and her group must find a way to escape those chasing them. Hunted by government officials, with danger at every turn, Maddie is forced to make a heart wrenching decision to protect the ones she loves. Will she make the right choice? With her mother's fate still unknown, Maddie and her brother, Zach, are more determined than ever to reach their cabin deep in the Missouri Ozarks. Can they evade capture to be reunited with their mother? You will love Hunted, the second pulse-pounding post-apocalyptic thriller in the Days of Want Series, because everyone wants to know they can survive. Also, look for Turmoil: Days of Want Series, Book Three June 2019. Get it Now!

Seeking Safety

Everything Dakota and Logan have worked so hard for is threatened by the powers that have been systematically trying to destroy America. This is their last stand and they can either count their costs and give in or they can fight even if that means they lose everything.

The Reliant

Raine Caldwell and the other survivors from St. Louis thought getting out of the city would be the answer to their problems. They quickly learn that violence and winter's fury aren't exclusive to the city. The group is tested far beyond anything they could imagine as they begin to settle in and survive life without modern conveniences. Can they adapt to the new world in time? After finding themselves in a community terrorized by ruthless and dangerous people, Raine and the others in her group must pull together to find justice when one of their own is taken. Can they pull the community together, or will it be pulled further apart? Seeking Justice is a gripping tale of ordinary people struggling to survive when everything seems to be working against them. Improvisation and Social Aesthetics

Following a crippling EMP attack against the US, and a long, merciless journey, college student turned survivalist, Danny Walker, finally makes it to his secure, rural location. No sooner does Danny arrive than he is given another petrifying prophetic vision of the chaos still to come. Hunger, despair, and panic will push desperate people to commit unthinkable acts against their fellow human beings. The country has been brought to its knees and the thin veneer of civility has been torn to shreds by the savagery lurking just below the surface. God's providence and glory have been stripped away from the once-great United States of America, and the few remaining survivors come to understand just how dependent they were upon the blessings of the Almighty. With no electricity, computers, law enforcement, grocery stores, medical services, or other systems of support, Danny's group will have to prepare to endure the coming onslaught of violence and upheaval. Danny has survived the EMP, but will he live through the most vicious era in US history? Buy Ichabod, Book Two of Seven Cows, Ugly and Gaunt today, and immerse

yourself in a near-future, post-apocalyptic America!

On Island Time

Four days into the apocalypse, would you still be alive? The day the power went out, Madison gave up her college-student life and risked everything to make it home to her mom in Sacramento. Tracy fought off looters and thieves to prepare for her daughter's return. Now reunited, they must defend themselves from everyone else. What would you do to see your family again? Walter watched the lights blink out across the country from 37,000 feet up in the air. Emergency landing a 737 in the middle of nowhere turned out to be the easy part. With riots and fires creating chaos, finding his way home might get him killed. The end of the world brings out the best and worst in all of us. With the power grid destroyed and the government unable to help, the Sloanes find themselves stuck in a city growing increasingly desperate. Will Madison and Tracy have what it takes to survive with neighbors and thieves closing in? Can Walter make it home to his wife and daughter before disaster strikes? The EMP is only the beginning. *Darkness Grows* is book two in *After the EMP*, a post-apocalyptic thriller series following the Sloane family and their friends as they attempt to survive after a geomagnetic storm destroys the nation's power grid.

Treconomics

"Manu Saadia has managed to show us one more reason, perhaps the most compelling one of all, why we all need the world of Star Trek to one day become the world we live in." — Chris Black, Writer and Co-Executive Producer, *Star Trek: Enterprise* What would the world look like if everybody had everything they wanted or needed? *Treconomics*, the premier book in financial journalist Felix Salmon's imprint PiperText, approaches scarcity economics by coming at it backwards — through thinking about a universe where scarcity does not exist. Delving deep into the details and intricacies of 24th century society, *Treconomics* explores post-scarcity and whether we, as humans, are equipped for it. What are the prospects of automation and artificial intelligence? Is there really no money in Star Trek? Is *Treconomics* at all possible?

Who Rules the World?

As winter approaches, small-town issues become big trouble. Maddie Langston and her group of post-apocalyptic survivors are stretched thin. Without support, as supplies dwindle, citizens are forced to take matters into their own hands. Mounting tensions and soaring risks begin to topple traditional priorities.

All that is Solid Melts Into Air

In a YA trilogy like no other, Trent Reedy has raised the most primal questions of our national existence: Do we owe our greatest loyalty to our friends? Our state? Our country? Our party? How do we reconcile our individual rights and common needs? What keeps us all united -- and what happens if we fall apart? Now, in this third book, the Second Civil War has come to an end in Idaho. The Feds have taken the fight to other fronts, and Danny and his friends are free of US dominance. But that freedom comes with considerable costs, from Danny's disturbing flashbacks to the war, to the Brotherhood of the White Eagle, whose "security" for Freedom Lake looks more like outright thuggery. After Danny makes a shocking discovery about the Brotherhood's final aims, he and his friends lead a group of townspeople on a dangerous journey across a ravaged Idaho, hoping to build a better society of their own, and fulfill the dreams they had in what once was the United States.

The Last Full Measure (Divided We Fall, Book 3)

After surviving the prison riots and deadly skirmishes with the wanna-be dictator of Texas County, Maddie and her group are left with dwindling resources, unprepared for the harsh winter ahead. Old friends pitch in to help until a more deadly foe arrives to put all of their lives at risk. A daring mission to St. Louis for precious lifesaving supplies has deadly consequences. Will they have the courage it takes to make it back in time? As the long, hard winter takes its deadly toll and gives way to spring, a force no weapon can defeat threatens the group. Can they pull together under its weight or will they all be lost? Upheaval is Book Five in T. L. Payne's heart-stopping series, Days of Want. Watch for Mayhem: Days of Want, Book Six, coming in early 2020.

After the EMP: the Darkness Trilogy

Captain Kate Holloway moved her family to New York to start over, and break the barriers that her work had created. But when an EMP brings New York to its knees, Kate must fight to survive amid the terror descending upon the city and rescue her family.

Days of Chaos

The complete Dark Road series in one collection

The Furies

Get the first three books in the After the EMP series in one box set! If the power grid fails, how far will you go to survive? Madison spends her days tending plants as an agriculture student at the University of California, Davis. She plans to graduate and put those skills to work only a few hours from home in the Central Valley. The sun has always been her friend, until now. When catastrophe strikes, how prepared will you be? Tracy starts her morning like any other, kissing her husband Walter goodbye before heading off to work at the local public library. She never expects it to end fleeing for her life in a Suburban full of food and water. Tackling life's daily struggles is one thing, preparing to survive when it all crashes down is another. The end of the world brings out the best and worst in all of us. With no communication and no word from the government, the Sloanes find themselves grappling with the end of the modern world all on their own. Will Madison and her friends have what it takes to make it back to Sacramento and her family? Can Tracy fend off looters and thieves and help her friends and neighbors survive? The EMP is only the beginning. The Darkness Trilogy (Books 1-3 in After the EMP) follows the Sloane family as they attempt to survive after a geomagnetic storm destroys the nation's power grid.

Thinking About Nuclear Weapons

Turbulent

A New York Times Bestseller The world's leading intellectual offers a probing examination of the waning American Century, the nature of U.S. policies post-9/11, and the perils of valuing power above democracy and human rights In an incisive, thorough analysis of the current international situation, Noam Chomsky argues that the United States, through its military-first policies and its unstinting devotion to maintaining a world-spanning empire, is both risking catastrophe and wrecking the global commons. Drawing on a wide range of examples, from the expanding drone assassination program to the threat of nuclear warfare, as well as the flashpoints of Iraq, Iran, Afghanistan, and Israel/Palestine,

Access Free Upheaval A Post Apocalyptic Emp Survival Thriller Days Of Want Book 5

he offers unexpected and nuanced insights into the workings of imperial power on our increasingly chaotic planet. In the process, Chomsky provides a brilliant anatomy of just how U.S. elites have grown ever more insulated from any democratic constraints on their power. While the broader population is lulled into apathy—diverted to consumerism or hatred of the vulnerable—the corporations and the rich have increasingly been allowed to do as they please. Fierce, unsparing, and meticulously documented, *Who Rules the World?* delivers the indispensable understanding of the central conflicts and dangers of our time that we have come to expect from Chomsky.

Turmoil

When the dollar collapses, widespread rioting and looting threaten the peace of a family in Zanesville, Ohio. Eight children tragically lose their parents in the chaos. The oldest, 19-year-old lovesick Sophie, is forced to care for her defenseless and hungry siblings in a stretch of woods surrounded by lawless anarchy. Their father has been killed, and their mother and Adam, Sophie's fiancé, have gone missing. Running out of food and facing threats from encroaching marauders, they are tempted to doubt God's love. When Sophie discovers her fiancé has resorted to looting to survive, she cannot bring herself to forgive him, however hard he tries to make amends. Must he sacrifice everything to win her back? When they capture a thief, they learn the attack on their home was no random act of violence. Torn between justice and mercy, with their allies turning against them, their faith is heated in the fire. Will God answer their prayers and deliver them, or must their faith remain blind to facts?

Darkness Grows

'An atmospheric, disturbing, even scary tale that touches on otherworldliness' THE TIMES 'Too-cool-for-school teenage girls, an outsider welcomed into their fold, and murder guaranteed good read' STYLIST 'Witchcraft, murder, and adolescent passion' HEAT You'd kill to be one of them. 1998. A sixteen-year-old girl is found dead on school property, dressed in white and posed on a swing. No known cause of death. Four girls know what happened. They've kept their silence. Until now.

Seeking Justice

A massive cyber-attack crippled half the nation's power grid. A super EMP took care of the rest. While a cyber-attack crippled half the nation's power grid, enemies of the United States launched a super EMP over the midwest sending the nation back to the stone age. For Raine Caldwell and her neighbors, it couldn't have come at a worse time. Deep into the coldest midwest winter on record, the nation is plunged into frigid darkness. With emergency services crippled by the lack of transportation and streets snarled with stalled cars, a spark ignites and the city of St. Louis is engulfed in flames. Chaos grips the city as society spirals out of control and violence fills the streets. With her building surrounded by fire, Raine and her neighbors are forced to flee on foot onto the snow covered streets seeking safety. Seeking Safety is a gripping tale of an ordinary group of people as they fight to survive after an EMP plunges the

Hunted

Addressing a wide range of improvised art and music forms—from jazz and cinema to dance and literature—this volume's contributors locate improvisation as a key site of mediation between the social and the aesthetic. As a catalyst for social experiment and political practice, improvisation aids in the creation, contestation, and codification of social realities and identities. Among other topics, the contributors discuss the social aesthetics of the Association for the Advancement of Creative Musicians, the Feminist Improvising Group, and contemporary Malian music, as well as the virtual sociality of interactive computer music, the significance of "uncreative" improvisation, responses to French New Wave cinema, and the work of figures ranging from bell hooks and Billy Strayhorn to Kenneth Goldsmith. Across its diverse chapters, *Improvisation and Social Aesthetics* argues that ensemble improvisation is not inherently egalitarian or emancipatory, but offers a potential site for the cultivation of new forms of social relations. It sets out a new conceptualization of the aesthetic as immanently social and political, proposing a new paradigm of improvisation studies that will have reverberations throughout the humanities. Contributors. Lisa Barg, Georgina Born, David Brackett, Nicholas Cook, Marion Froger, Susan Kozel, Eric Lewis, George E. Lewis, Ingrid Monson, Tracey Nicholls, Winfried Siemerling, Will Straw, Zoë Svendsen, Darren Wershler

The Big Book of Words You Should Know

A group of friends vacationing at a remote Colorado cabin find themselves stranded by a blizzard and stalked by cannibalistic monsters.

Ichabod

Black Knight Squadron Book 1, Foundations: Foundations is the story of a group of like-minded police officers, SWAT officers, armed citizens, and military veterans who happen to be training together when the lights go out. Like most of you would, they quickly know what's up. Unlike most people, the Black Knight Squadron has the training and resources to do something about it on a large scale. Caught in the friction between the emergency measures necessary to maintain order and their deep belief in the Constitution, the Black Knight Squadron must navigate the murky ethical and constitutional waters of a post-apocalyptic world using only their faith, trust in one another, and the skills born of years of hard work and training. Can they keep a mid-sized city from ripping itself apart? They don't know, but they're going to try. We live in a time when our inner-city culture teeters on the edge of savagery. When the lights go out in America's ghettos, it will be a short descent from the rule of law to the law of the jungle. The Black Knight Squadron saga of books are unique in that all of the capabilities and equipment, and most of the people, are real. While the Black Knight Squadron saga is primarily intended as an enjoyable work of fiction, it also serves as the author's pre-game exercise for the apocalypse. To learn more about the Black Knight Squadron series, and to see more content, including pictures, maps, discussions and updates, find us on Facebook by searching @blackknightsquadronbooks About the Author: Born and raised in the tony suburbs of Sacramento,

California, John Chapman (known to his friends as Chappy) joined the Navy at 18. After his enlistment, Chappy returned home to Northern California and embarked on a law enforcement career while attending college. Over 20 years later, Chappy has served in Patrol, SWAT, Investigations, Training and Admin assignments. Chappy became a firearms and tactics instructor in 1994, and has traveled the US and the world teaching armed citizens, SWAT teams and military units combat marksmanship and tactics. Best known in the tactical community as a BCM Gunfighter, SWAT trainer and night vision instructor, Chappy continues to teach, now exclusively for Forge Tactical, a training firm serving law enforcement and armed citizens. He maintains his police commission, and serves as a Police Officer with the Alliance, Ohio Police Department, where he serves as a SWAT Team Leader. Chappy also volunteers his time to serve as the Director of Training for the Ohio Tactical Officers Association, the largest state tactical officers association in the country. Chappy lives in northeast Ohio with his wonderful and patient wife Kris and their cat Duce. When he's not chained to his desk writing, he can be found at the Alliance Police Range shooting, developing curriculum, testing gear, and teaching. To learn more about opportunities to train with Chappy and his partner John Spears, visit forgetactical.com. To learn more about training opportunities open to all qualified US citizens, visit the Alliance Police Training Center (yes, it really exists) at alliancepolicetraining.com.

Burning Nation (Divided We Fall, Book 2)

In an instant everything stops. No lights. No phones. No transportation. How would you get home? When coordinated EMP and Cyber attacks wipe out the nation's power grid, communications and transportation systems, ultra marathon runner, Maddie Langston is forced to run for her life. Stranded in a Chicago airport when the lights go out, Maddie is in a race against time. According to her father, she doesn't have long before the city descends into chaos. She must leave the airport before it is too late. Although she knows she must flee the Windy City, Maddie's first battle is to overcome fear of the violence she knows is coming. She's a fighter; she just doesn't know it yet. The perilous journey out of the city becomes even more difficult when Maddie takes responsibility for an orphaned ten-year-old girl. Together, they must fight to survive as chaos fills the streets and struggle to survive in a Turbulent new world. Would you have what it takes to survive? This heart-stopping post-apocalyptic thriller is the first book in T. L. Payne's Days of Want Series. Look for *Hunted: Days of Want Series Book Two* June 2019. For lovers of books by Jack Hunt, Bobby Akart, Kyla Stone, Chris Pike, Ryan Westfield, Harley Tate, and Mike Sheridan. Buy Now or Read for FREE in Kindle Unlimited.

The Shuddering

Four months after an EMP brought the power grid down, Landon Gray and Beth 'Bluebird' Sullivan scrambling to survive. With no power, no internet, no phones, no transportation, and over a thousand miles from his home in Castine, Maine, they set off on a perilous journey using the Appalachian Trail. But as chaos forces the worst of society into their path, they must fight to survive.

Divided We Fall (Divided We Fall, Book 1)

In the dead of winter, a super EMP destroys the nation's power grid. No electricity. No cars or phones. Worst of all: No heat. The country is plunged into instant chaos. But for twenty-six-year-old Hannah Sheridan, it's the best day of her life. For the last five years, she's been held captive by a sadistic psychopath--until the EMP releases the lock of her prison. Hannah emerges from her underground cell into a hostile winter landscape with no way to call for help, no vehicle that will drive, armed with nothing but the clothes on her back and her own determination to survive. Liam Coleman, cynical loner and former soldier, is headed nowhere fast. He believed he was prepared for any disaster--until the EMP

Access Free Upheaval A Post Apocalyptic Emp Survival Thriller Days Of Want Book 5

took everything he'd ever cared about in a matter of seconds. When he runs across a desperate woman who will die without his help, he's forced to make a choice. Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the lack of power, desperate people, and the treacherous elements aren't the only threats. Hannah's captor isn't about to let her go. He will hunt her to the ends of the earth and beyond, destroying anything and anyone who gets in his way. For she has something he wants--she's nine months pregnant with his child. *Edge of Collapse* is a gripping post-apocalyptic EMP thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven.

Surviving the Collapse

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

Behold, Darkness and Sorrow

The Revelation Explained

Hunted and on the run. A decision to make. one that will tear Maddie's heart out. The Goliath Code

From the New York Times bestselling author of the smash hit *One Second After* series comes *48 Hours*, a nail-biting and prescient thriller about a solar storm with the power to destroy the world's electrical infrastructure. In 48 hours, the Earth will be hit by a Coronal Mass Ejection (CME) from the Sun, a "Carrington Event" that has the power to shut down and possibly destroy the world's electrical infrastructure. To try and prevent permanent damage, everything goes dark prior to the hit: global communications are shut down; hospital emergency generators are disconnected; the entire internet, media broadcasting, and cell phone systems are turned off. Will the world's population successfully defend itself in the wake of the CME, or will mass panic lead to the breakdown of society as we know it? William R. Forstchen is at his best in *48 Hours*, a tale of the resilience of American citizens when faced with a crisis.

Edge of Collapse

Liberty minded individuals and those who believe in the Constitution will find this near future, Christian dystopian novel to be right up their alley. Those who are looking to be more informed about the potential threats to America's financial stability will learn what to watch for and how to prepare themselves for an economic collapse. America is on the cusp of financial annihilation. Matt and Karen

Access Free Upheaval A Post Apocalyptic Emp Survival Thriller Days Of Want Book 5

Bair face the challenges of Main Street during a full scale financial meltdown. Government borrowing and monetary creation have reached their limits. When funds are no longer available for government programs, widespread civil unrest erupts across the country. Matt and Karen are forced to move to a more remote location and their level of preparedness is revealed as being much less adequate than they believed prior to the crisis. Meanwhile, Paul Randall, a third party presidential candidate arises to push back against the welfare and warfare spending that have bankrupted our country. While he has gained expansive acceptance, the fight has just begun. Paul Randall proposes a plan to mitigate the coming hyper-inflationary collapse which is a mathematical certainty. His plan is known as The American Exit Strategy. American Exit Strategy uses survival fiction to take an in-depth look at the real life politics and economics behind the issues that are likely to trigger a currency collapse or financial meltdown in the near future. American Exit Strategy is a work of fiction until it becomes history.

48 Hours

Daniel Walker begins having prophetic dreams about the judgment coming upon America for rejecting God's Word. Since he is a new Christian and unfamiliar with the Holy Scriptures, he turns to an older pastor, more seasoned in the faith, to help interpret the dreams. Through one of his dreams, Daniel learns of an imminent threat of an electromagnetic pulse attack which will wipe out America's electric grid and most all computerized devices, sending the country into a technological dark age. Living in a nation where all life-sustaining systems of support are completely dependent on electricity and computers, the odds for survival are dismal. Municipal water services, retail food distribution, police, fire, EMS and all emergency services will come to a screeching halt. If they want to live, Daniel and his friends must focus on faith, wits, and preparation to be ready . . . before the lights go out.

Edge of Anarchy

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

Edge of Darkness

Tourists visit popular islands of the Caribbean by the planeload. What they don't see from their resort hotels are the hundreds of out-of-the-way, uninhabited islands sprinkled along the West Indies from Florida to South America. This alluring archipelago, strung with beaches accessible only by boat but spaced temptingly close together, led Mississippi adventurer Scott B. Williams to embark upon an open-ended quest to see how far south he could go in a seventeen-foot sea kayak. No one was willing to accompany him. He spent months working his way down the west coast of Florida, through the Bahamas, and on to Hispaniola, Puerto Rico, and the Virgin Islands. On Island Time: Kayaking the Caribbean, his narrative of this journey of a lifetime, describes the wonders of discovery as he makes landfall on pristine cays. Relentless headwinds, dangerous surf, countless beaches declared off-limits to trespassing, and aggressive sharks that ram his kayak and snap him out of his musing remind the adventurer that this paradise is far from perfect. Every day of the journey required constant vigilance. With no one to depend on and often no one even knowing where he was for weeks at a time, Williams

learned what it means to be self-reliant and to adjust to island time. With just a simple craft and the few belongings that would fit in it, Williams explores an almost boundless frontier and a powerful natural stretch of the Caribbean rarely, if ever, accessed by the island tourist. A woodworker and boat carpenter, Scott B. Williams, Brandon, Mississippi, has published in such periodicals as Sea Kayaker, Mississippi Outdoors, and South Mississippi Outdoors and Recreation .
