Tackle whitewater rapids in some of the oldest mountains in the world on this expedition. In addition to learning whitewater canoeing skills, you and your crew will backpack through the Western North Carolina region which is home to hundreds of waterfalls, over a million acres of national forest, park and public land, roaring rivers and the highest peaks in the Eastern United States.

2020 Western United States wildfire season - Wikipedia

In 2020, the Western United States experienced a series of major wildfires. Severe August thunderstorms ignited numerous wildfires across California, Oregon, and Washington, followed in early September by additional ignitions across the West Coast. Fanned by strong, gusty winds and fueled by hot, dry terrains, many of the fires exploded and coalesced into record-breaking megafires, burning more

For many western areas that do well with snowmaking, such as Sun Valley, Mammoth and several in Colorado, a key reason is high altitude, which is already a positive factor in the snow score. For smaller areas with modest natural snowfall but good snowmaking reputation, we adjust drought resistance and in some cases raise the snow score by 15-20
