For more than a thousand years, Greeks from all walks of life consulted oracles for guidance received directly from the gods. This colorful and wide-ranging survey encompasses the entire history of Greek oracles and focuses fresh attention on philosophical, psychological, and anthropological aspects of oracular consultation. It also examines how Greek oracles' practices were distinctive compared to those of their neighbors, especially in Egypt, Babylon, and Israel. Richard Stoneman weaves a fascinating historical tapestry, taking into account the different kinds of oracles (healers, advisors, prophets, and others), their most important sanctuaries, debates about them among ancient thinkers, and Christian attacks on them. Delving into the reasons behind the oracles' enduring position at the heart of Greek culture, Stoneman offers fresh insights into pagan religious practice and the history of Greek intellectual and spiritual life.

What is wisdom? Where does it come from? Where can we find it? And what does it mean in our lives? In *Secrets of the Oracle*, David Shaw explores these questions by turning to the works of wisdom writers, whose words retain their meaning and transformative power even centuries after they were written. Wisdom literature exists in two shaping forms - the aphorism, geared towards the past, and the oracle, a revolutionary impulse looking to the future. *Secrets of the Oracle* discusses both types of wisdom, finding them in the works of poets and philosophers from Tennyson and Zeno to Yeats and George Berkeley, from Browning and Schleiermacher to T.S. Eliot and F.H. Bradley. The book also discusses the contribution to wisdom of Jesus and the author of *Ecclesiastes*, of Abraham Lincoln and Norman Maclean. Part celebration of wisdom found and part lament for wisdom lost, *Secrets of the Oracle* is convincing in its assertion that wisdom articulates what is and offers creative visions of the future.

New York Times and USA Today Best Seller! Discover the amazing secret of the ages and the mystery of your life! The Oracle will reveal the mystery behind everything the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events

of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery-even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered-and now be altering-the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of The Stranger, The Lost City, The Man With the Measuring Line, The Land of Seven Wells, The Birds, The Number of the End, The Man in the Black Robe, The Prophet's Song, The Matrix of Years, The Day of the Lions, The Awakening of the Dragon, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys;

It could be a cloud in the shape of a loved one's face or an extremely relevant song playing on the radio at the exact time of a friend's death--if we allow ourselves to stop, look, and listen, we can identify what spiritual teacher Ann Bolinger-McQuade calls personal oracles. And when we tune into these subtle messages from Spirit, we will discover guidance for navigating life's most trying situations. In this illuminating book, McQuade shares stories of divine inspiration from her life, as well as the lives of others. she also explores the history and science of oracles and offers practical instruction on identifying and decoding these sacred messages.
