Far back in time, light from the underlying fabric of creation burst forth creating the super-luminous event through which our Universe was born. Time began its endless journey through ever-expanding space. The early universe was simply a sea of particles floating through space and time. But life's invisible wheels were already in motion and over time the sea of particles became a sea of stars from which Gaia, our Earth, was born - a living, breathing entity - our Goddess, our Mother and our reflection. The Gaia Oracle, a beautiful new oracle set from bestselling artist Toni Carmine Salerno, consists of 45 richly illustrated cards designed to point you in love's direction and help you find the answers you seek.

Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system – but now the world has changed. Rise Sister Rise is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman – a

woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith – because in healing ourselves we are healing the world.

Light Is The New Black is a guidebook for a new breed of women who are here to be bright lights in the world. These women are modern-day lightworkers, who agreed at soul level to be here at this time in history, to bring us into the Age of Light (lead by spirit and the divine feminine). At the Peace Conference in Canada in 2009, when the Dalai Lama said 'The world will be saved by the western woman', it was a call to action for women throughout the West. *Light Is The New Black* is a response to that call. It guides these women to come back home to who they really are, at soul level, and embrace their uniqueness so they can light up the world in a way that only they can. Gone are the days of following someone else's well-trodden path. In order to succeed in this new age, everything must be an authentic expression of who we truly are. A down-to-earth, relatable mix of one girl's journey, channeled messages from The Universe, practical tools, and metaphysical marketing for this new social age, this book will reconnect you to the core of your being, so that you can use it to change the world--
